VIDEO: Uncategorized.Â .Batman: Arkham Knight: Most Wanted Edition Batman: Arkham Knight: Most Wanted Edition is a 2016 action game for the PlayStation 4 and Xbox One. It is the third game in the Batman: Arkham Knight series. The game was released in North America on 26 September 2016 and in Europe on 28 September 2016. The game is an expansion to the previous two games Batman: Arkham Knight and Batman: Arkham Knight Blackgate. Story Little is known about the story of the game, besides the fact that as of the 2nd trailer of the game, Edward Nygma has been driven insane. Edward Nygma is the man in the red suit/giant cross. His one dream was to destroy Gotham City, and now he has, he's on a rampage for revenge. He's going to find Batman first, then fight all of his fellow criminals - and the game's tie-in with Justice League is clear in the trailer. Gameplay Gameplay in this game is similar to that of the previous two games. There are multiple Batmobiles, as well as different costumes that you can buy, upgrade and also unlock. The Batmobiles have different speeds, strengths, and vulnerabilities. The core gameplay consists of searching for wanted criminals, and fighting/annihilating them to progress. You can also hide in disguise, or access your arsenal and fight enemies. Development Like the previous two entries in the Batman: Arkham series, Arkham Knight: Most Wanted is developed by Rocksteady Studios. The game's development team spent around a year for the game. The game was released on 26 September 2016 for PlayStation 4 and on 28 September 2016 for Xbox One. Reception Batman: Arkham Knight: Most Wanted received generally mixed reviews from critics. It received a score of 73.51% on GameRankings for the PS4 version and 73.58% for the Xbox One version. It was the best reviewed video game for the PlayStation 4 as
