
Sociology Themes And Perspectives (Haralambos And Holborn) Michael Haralambos [BEST]

This 8th edition of Topics and Perspectives in Sociology is a comprehensive introduction to sociology for undergraduate and graduate students. The book contains all the material needed to pass the exam or credit for the course. The book presents contemporary theories, methodologies, and techniques of sociology in light of their application to both basic and applied research. The book's topics have been carefully selected to meet the requirements of social studies examinations in universities and in the programs of short courses offered around the world. The topics are covered with clarity, yet at a level sufficient for students.
