278400245-Solucionario-Metodos-Numericos-Para-Ingenieros-Sтивен-Chapra.pdf - Free download as PDF file (.pdf) or read online free.

This is not an official document. It's just a sample diagram or set of general phrases.

Basically, there is a link on the same page to a tutorial that details some of the methods and algorithms that are used in solving such problems. Although some of the algorithms may be slightly modified, they may not be as effective for specific problems. In any case, if you understand at least the basics of programming, you can easily deal with this problem as well.
